Let's cross Brexit together!

French Customs developed an IT solution known as the «smart border» to keep trade flowing between the UK and France, despite the reestablishment of customs clearance at the border.

What is the «smart border» and how to prepare to use it?

All the answers in this **webinar** entirely in English organised on **December 3** from **2:30PM** to **3:30PM** (UTC+1) by the Direction Générale des Douanes et Droits Indirects.
